

BLAKE MIRROR

4752
Black Wax
Dia: 36.00 IN
D: 3 IN

The visual and tactile textures of the Blake Mirror are a true testament to the craftsmanship this piece possesses. A solid wood frame exhibits a deeply carved fan-like design that delivers depth to a wall space. The natural imperfections of the wood add more character to its distinct charm and the black wax finish offers a sleek touch to its rustic form. Security cleat hanging hardware allows for vertical display. Finish may vary.
