

ETHAN SIDE TABLE

Organic elegance takes the reins with this simple yet stylish storage option. A solid wood frame is fitted with a eucalyptus veneer creating a sense of movement along the grains. The profile of this end table may seem traditional by design though it's anything but that. A single top drawer is accented with an antique brass drop handle topped with a clear acrylic bar modernizing its rustic aesthetic. An open bottom shelf provides extra storage while delivering the illusion of added space.
