

## MOON GLOW MIRROR

A classic mirror redefined with bohemian flair. The Moon Glows stacked mirrors are a representation of a celestial space when the planets perfectly align - only seen through a clear night sky over the vast playa. The mini mirror balanced over the large circular antique brass frame features a deep plum hue while the large mirror boasts a stained antique finish. Antiquing is hand-applied and will vary. It hangs sturdy and flush to the wall using a security cleat mount.
