

ULYSSES SIDE TABLE

FIS02  
 Brindle  
 H: 24.5 IN  
 W: 32 IN  
 D: 20 IN

Inspired by French furniture design of the 1970s, the Ulysses' design utilizes rich, brindle ofram veneer to play up the simple geometry and beauty of the case. The striking, two-drawer accent table features bronze brass banding and V-shaped, bronze brass finger-pull hardware. Finished on all sides, the piece can float in a space. Finish will vary.
